Part VIII
Report of Session Minutes Review, 2009

Minutes were read on the following dates at the following churches:

October 17, 2009, Presbyterian Church of the Apostles, Burnsville and October 31, North Como Presbyterian Church, Roseville.

Please note: The following churches have not presented their minutes for review: Korean Presbyterian Church, Brooklyn Center, MN. Six session clerks chose to leave their minutes at the office to be read by me as I have time to do so. In this Presbytery, session clerks exchange minute books with each other, and, following guidelines, help each other make adjustments in order for the records to include all required information. No major exceptions were reported this year. Congratulations to our session clerks.

List of Minister Members who are not counted in the Redress of Imbalance, of this report.

The following minister members who are retired and did not attend any meetings of the Presbytery, serving the church outside the United States, or are serving outside the jurisdiction of the Presbytery are not counted toward the redress. This does not preclude their attendance, or their privilege of active participation, if they do attend a meeting of The Presbytery. There are some Honorably Retired members who did not attend a minimum of 4 meetings, but are actively serving on committees or as interims/stated supplies, or moderators of sessions, and are included in the redress figures.
